"For me, as an actor, one of the most exciting and magical moments is when you see the set under lights for the first time."

Kate Raison
Actor

**Ensemble Theatre is the lucky recipient of a Create NSW, Creative Capital grant that will match donations up to $235,910.*

Hello!

Thank you for your support of the Ensemble Theatre over the last two years. We are here because of you and we are always very thankful.

Having negotiated a path to reopening, we are now moving to improving our stage with upgraded contemporary lighting. As you may know systems change over the years and we want to make sure we are environmentally up to date with less emissions; increase the safety for cast and crew; and increase artistry for our wonderful plays.

A new lighting system is crucial for presenting the best-looking productions for your enjoyment, and an actor well-lit is better than one in the shadows!

We were very fortunate to be awarded a grant from Create NSW to improve our lighting. Every dollar raised will be matched by the NSW Government up to $235,910.

Lighting is an important part of theatre, an element you don't notice perhaps until it has gone or broken down.

With your generosity we hope to achieve our funding goal. Thank you for your support.

Artistic Director
